CAREER OBJECTIVE

To obtain a challenging position as a Software Developer where I can apply my skills in Python, Django, and full-stack development to build efficient and scalable applications, while continuously learning and contributing to innovative projects.

EDUCATION

B.Tech - Computer Science & Engineering Madanapalle Institute Of Technology & Science	2022 - Present CGPA : 8.5
Intermediate - M.P.C A.P. Model School & Jr. College	2020 - 2022 Percentage : 69.6
SSC - A.P. Model School & Jr. College	2019 - 2020 Percentage : 86.3

SKILLS

- **Programming Languages :** Python.
- **Web Technologies :** HTML,CSS,JavaScript,Django.
- **DataBases :** SQL.
- **Tools/Frameworks:** Git, VS Code,Google Colab.
- **Soft Skills:** Communication, Teamwork.

PROJECTS

Online Quiz Application (Exam Portal)

- Developed a web-based quiz application to facilitate secure and interactive online examinations.
- Implemented user authentication, dynamic question generation, scoring, and result tracking functionalities.
- Compared different backend logic and data handling approaches to optimize performance and reliability.
- Deployed the project on GitHub for public access and version control.
- Tech Stack: Python, Django, HTML, CSS, JavaScript, SQLite.

Portfolio Website 🌐

- Created a responsive personal portfolio website to showcase projects, skills, and achievements.
- Added interactive features with JavaScript for improved user experience.
- Deployed the website on Netlify for live access.
- Tech Stack : HTML, CSS, JavaScript, Netlify.

INTERNSHIP

Domain : Python	02/2025 - 05/2025
Organization : SlashMark	Remote

Description : Developed a Python-based expense tracker to help users manage and categorize daily spending. The application allows users to add, edit, and delete expenses, view total expenditure, and generate category-wise summaries. Data is stored locally using sqlite,with user-friendly input via command-line.

CERTIFICATIONS

- Certified in Python Programming by Kaggle.
- Certified in HTML, CSS, JavaScript by Infosys Springboard.
- Certified in Advanced SQL by Kaggle.
- Certified in AWS Cloud Practitioner Essentials by NASSCOM.

EXTRA CURRICULAR ACTIVITES

- Member of college Volleyball/cricket team.
- Participated in coding contests and tech events to improve problem-solving and logical thinking.

ACEDAMIC ACHIEVEMENTS

- Winner – Data Structures Coding Challenge 2024, conducted by [MITS/LeetCode], competing with 100+ participants.
- Attended a one-day hands-on workshop on Web Development, covering HTML, CSS, and JavaScript basics.
